RE: Customs Brokers Annual User Fee Payment for 2010

---

Please be advised that the **Customs Brokers Annual User Fee for 2010 is due by January 25, 2010**. Payment of \$138.00 is required for *each* permit held by a broker. For example, a broker who holds an individual, corporate and national permit would pay a total of \$414.00 for all three permits.

It is important to note that the user fee is associated with the permit and *not* the license itself. Therefore, any individual license broker who does not hold a permit is not required to pay the annual fee.

Finally, and with respect to the national permit, the \$138.00 fee is payable at the port through which the broker's license was issued. Should you have any questions, please feel free to contact our offices.
